Dear ADC Supporter,

On behalf of the American-Arab Anti-Discrimination Committee’s National Staff and our Board of Directors, we would like to take this opportunity to extend our gratitude for your generous support and for being a vital member of the ADC family. We are thankful for our members, donors and volunteers.

We invite you to carefully read the attached 2015 ADC Annual Report. In it, you will find a comprehensive summary of the achievements and activities that ADC has accomplished with your support. In 2015, ADC contributed to key cases in the United States Supreme Court relating to the status of Jerusalem, employment discrimination and equal representation within legislative districts. ADC has also worked on critical issues pertaining to immigration rights, refugee intake, racial profiling, surveillance, education and law enforcement misconduct, among many other issues affecting our community.

ADC’s work is possible because of our members and supporters. We need to expand our membership in order to continue our steadfast work to protect your rights, promote mutual understanding and preserve our rich cultural heritage.

Please renew your membership and encourage friends, family and community members to become members of ADC. We also ask you for your generous contribution, which is vital to continuing our work on your behalf.

Thank you again for standing with us. Together, we can ensure that the Arab American community is protected, heard and respected.

With much gratitude,

Safa Rifka, MD
Chairman, ADC Board of Directors
