Endnotes:
FY 2016 final bill sets aside $75M of rental assistance for renewals within a 12-month period. The FY15 provision prohibiting renewals during the contract term is not in the bill. The bill requires the Secretary to report to Congress quarterly on the number of renewals approved during the preceding quarter, the amount of RA available, and the amount needed for the balance of the fiscal year.

The FY 2016 final bill and the FY 2017 House bill direct USDA to continue and expand the Section 502 Intermediary Pilot Program.
